The Louisiana Experience

Communities across Louisiana express themselves in many different ways through art, music, celebration, food, and religious practices.

Directions: List or draw four or more examples for each part of the state.

Make a drawing of an object from the *Natural* Abundance exhibit (Area 7) that shows how natural resources or new technology contribute to economic prosperity.

Each year Capital Park Museum shares

new exhibits in the Third Floor
Changing Gallery.

Directions: Write the exhibit title and a short description.
